Dear Parents / Guardians and Players

We have come to the end of a very challenging yet successful 2011 Football season. Before we however wish each other a merry Christmas and a good start for 2012 allow me to inform you of some important facts and to thank those who have worked tirelessly throughout the year.

To all the coaches, administrators and management of CYMOT SKW FC I wish to extend my utmost gratitude for the endless hours and commitment which you have show during 2011 without which our 200 plus youngster would not have been able to enjoy the game of football. All of this work is done without any remuneration and rests solely on the goodwill of these individuals who are prepared to sacrifice their private time to provide your children the opportunity of a proper football education. In this light, I urge those of you who would like to get involved in any way to contact the clubs management, we surely need the helping hands.

Looking forward to the 2012 season we are glad to report that the Namibian Football Association has committed to facilitate a proper youth league and has already sought the help of various football clubs in setting up and managing these various age group leagues.

We would also like to inform you that the membership fees for 2012 have been set at N\$ 1350.00. This is up from N\$ 1200.00, and constitutes an increase of 12.5 %. Of this, N\$ 100.00 has been levied by the main club in terms of affiliation fees. Looking at the increases in electricity and water alone which have recently been approved by the municipality and the big investments which we have budgeted for during 2012 (N\$ 100 000.00 flood light & N\$ 80 000.00 fencing upgrade) we still believe that our football club is offering great value for money. At a mere cost of N\$ 135.00 per month your children are enjoying the best football education available in Namibia, are members of the biggest football club in Namibia and enjoy 10 months of supervised outdoor entertainment. Considering the above I am proud to say that we believe that we offer the best value for money sport activity in Namibia.

To our main sponsor CYMOT, once again we are grateful for your support during 2011, now running in its 5th year. At a time when not many were willing to invest in football and youth football was very much in its infancy you showed great vision. I firmly believe that the decision taken during 2007 has benefited both your organisation and football development in Namibia greatly. We look forward to continuing this partnership.

Finally, to our youngster, thank you for your commitment to CYMOT SKW FC and congratulations on all achievements during 2011. In closing, be thankful for the opportunity provided to you by your parents / guardians to be a part of the biggest football club in Namibia.

Printed overleaf please find the training times for all age groups and the responsible coaches per age group for the 2012 season. Training will commence on 6th February 2012.

Yours in football,

.....
Ralph Ellinger
Chairperson, SKW FC
