## GENERAL CONDITIONS

### 1. Membership of the Sport Klub Windhoek

The decision whether an applicant should be admitted to the club rests with the SKW. Membership of the SKW is a condition for participation in club events and sporting activities.

### 2. Fees

In certain sections, membership – apart from the general club fee and the admission fee (levied only on admission) – entails an additional fee. The amount payable as club fee in each instance is determined by the general meeting. The stated fee is levied once per year, the first time, however, on admission to the club. The amount that may additionally be payable with regard to certain sections is determined by the managing committee in co-ordination with the board of the relevant section. The fees as at present are valid as of 01.01.2010.

### 3. Period and termination

Membership of the SKW is granted for an indefinite period.

Members are entitled to terminate their membership of the SKW by giving four months' notice of their intention to do so before the expiry of the end of a calendar year. Notice shall be given in writing to the SKW. To determine whether termination has, in fact, occurred in time, the moment the written notice is received in the SKW offices shall be decisive.

### 4. Insurance and liability

Participants in the events organised by the SKW enjoy insurance protection within the framework of the SKW's existing insurance policies. Additional insurance cover would have to be organised by members themselves. The SKW is liable only within the framework and scope of its existing insurance policies. Any further liability of the SKW and the respective organisers of events is excluded, unless this is attributable to intentional or grossly negligent conduct.

Herewith I apply to be admitted as a member of the SKW and accept its rules and regulations:
