Dear SKW Member

Membership Fee Structure 2025

At the recent committee meeting dated 12 November 2024 the membership fee structure for next year was discussed and revised by the committee, and an increase of approximately 6 percent for all categories of membership was agreed upon. We endeavoured to keep the increase as low as possible, however we had to increase the membership fees.

The 2025 fee structure is set out below:

We would like to request our members to communicate any changes to their SKW membership status to skwmanager@skw.com.na in order for us to keep our membership records up to date. Please also note that the above fees are only applicable to the main club and additional fees by the subsections may apply and will be communicated to you by your respective sub-division chairperson.

Membership fees need to be paid before end of February 2022. We have also decided to allow for **youth membership** to be paid in trimesters with payments due end April, August and December. We would like to request members who have not received an invoice to please advise our office.

On this note the committee and management wish you all a happy festive season, and an excellent start to the New Year.

Yours in sport
